

Partner

We are back in the market with the new and very interesting devices. Octa Core, Dect core, 6GB or 8GB Ram, 64GB or 128 GB ROM, all are now available in our new portfolio. We are looking for new business partners in telecom worldwide. If you are interested and want to share the success with us, please send us your company request and profile to check your ability, we will contact you to give our policy requirement.

Success is our business. Be part of our success!
